

The goal of the Willington PTA is to provide services and activities to enhance educational experience for the children of Center Elementary and Hall Middle Schools. You do not need to be a member to attend a PTA meeting or function, however membership is strongly encouraged to help support our organization! The Willington PTA consists on Active & Inactive members. You must be a member (Active or Inactive) to vote at scheduled meetings.

•Active Members are parents or faculty who support the PTA by volunteering their time and/or services. Active members may choose to attend PTA meetings.

•Inactive Members are parents or faculty who would like to support the PTA but unable to volunteer or attend PTA meetings (but may choose to do so at any time)

We accept new membership & volunteers throughout the school year! We are always looking for new ideas and fresh faces to attend our meetings, and volunteer to help make the Willington PTA a successful organization and create a better community.

***THANK YOU FOR YOUR SUPPORT!***
