**Climbing Wall Mats:**

Sean Conlin requested \$2,451 from the PTA to purchase mats for the Center School climbing wall. \$2000 came from a budgeted amount under ""Enrichment - Health & Fitness". This was a one-time account established for Phil Stevens, the previous P.E. Teacher at Center School. Although it was suggested that the remaining \$451 be requested of Center School's enrichment monies, those board members present felt that although the monies were not readily available, the monies should be taken from our savings account. A motion was made by Justine Hill to give Sean Conlin \$451 to purchase the climbing wall mats. Seconded by Valerie Moseley. All were in favor, motion carried.

**PTA Donation:**

The PTA donated the leftover Ice Cream from the Ice Cream Social to the Willimantic Soup Kitchen.

❖ Entertainment Books: Are moving slow but moving. Some say they did not get the flyer. Discussion on how some people get them thru fundraisers done by other groups.

❖ Clip & Save: Going well. There needs to be 100 Tyson labels in order to make a shipment.

❖ Candy Bar Bingo: Was a lot of fun. Had a turnout of about 40 people. Hope to do again in January. Could use a Microphone and whiteboard for next time. Colin offered the use of Center Schools Portable PA System.

❖ Teacher Holiday Buffet: The date will be Monday, December 21<sup>st</sup>. This is the week of Christmas. Fliers will be going home after Thanksgiving looking for helpers and bakers.

❖ Spiritwear: The 1<sup>st</sup> big order was placed. It should be received the week of Thanksgiving.

❖ Notices: Discussion took place on how to best get fliers home to parents. Possibly using a youngest and only list to distribute fliers. This will also help save paper cost. Colin was going to check with Dave Harding to see about forming a list for the office staff. The office staff would then make a list of how many fliers per classroom. Teachers could use stickers on the student mailboxes to mark the youngest and only children.
